

# MIDWEST HAIRSTYLING AWARDS

---

We are now accepting official submissions for The Midwest Hairstyling Awards!

Entries must consist of three professional and high-quality images of three different models. **Please note that cell phone images will not be accepted.** Retouching and editing is allowed, but not on hair color. Keeping editing to a minimum is encouraged. Show us your best work.

Multiple submissions may be made on one set of images. For instance, a colorist, cutter, makeup artist and photographer may all enter separately on one set of images. All finalists will need to provide model release forms for each model used.

**The final deadline will be the end of day on  
June 30th.
